He was sitting on a load of shingles when the team became unmanageable and dashed down the hill, strewn the road with bunches of shingles.

The Lihue Band's New Instruments

"Pleased beyond expression" was the way Director Souza of the Lihue Band expressed himself yesterday while displaying the new instruments which arrived on Saturday's Hall. The new set contains twenty six pieces, and cost nearly twelve hundred dollars. The instruments are triple silver plated, have a soft, satin-finished effect, with the name "Lihue Band" beautifully engraved on each. This is without doubt, one of the most beautiful band outfits on the islands. Mr. Souza's brother who is leader of a prominent coast city band, gave his personal attention to the selection of these instruments, with the result that the tone is absolutely perfect in every one of them. The initiative performance on the new instruments will be given Sunday when the boys will play at the Holy Ghost exercises to be held in the Catholic Church in Kapaia.

Each instrument is provided with a strong leather case, lined with red plush, the cost of the cases amounting to a large sum.

Multitudes of Loving Friends Gather At The Hawaiian Church to Pay Their Last Tribute to This Noble Woman, and Impressive Services Are Conducted By The Rev. Wm. Kaman and Rev. Hans Isenberg

HUNDREDS OF FLORAL OFFERINGS TENDERLY PLACED

Thursday of last week, May twenty-fifth, at 2:40 p. m. marked the close of the long and useful life of Mother Rice, at the residence of her grand-daughter Mrs. Hans Isenberg, in Lihue, where she was attended by those of her many descendants who had been able to hasten to her bedside.

Her end was most peaceful, surrounded by the loving members of her family, a fitting close to a long and beautiful life. At the bedside was her son, William Hyde Rice, and eleven of her grand children. Mr. and Mrs. Hans Isenberg, Paul Isenberg, William Henry Rice and wife, Charles Atwood Rice and wife, Arthur Hyde Rice and wife, Mrs. Ralph Wilcox, and Philip L. Rice.

Funeral Services

Friday at 1:30 p. m. special services were held at the Isenberg home, Rev. Hans Isenberg officiating. At two o'clock the remains were taken to the Hawaiian Church, where in compliance with her last request, an impressive service, conducted chiefly by the Hawaiian minister, the Rev. Mr. Kaman, assisted by the Rev. Mr. Hans Isenberg, was held, in the presence of five or six hundred mourners. Arriving at the church, the remains were removed from the conveyance by the pall bearers and tenderly carried into the church and placed on a platform which had been prepared directly in front of the altar. As the pall bearers entered, the audience rose, and with bowed heads, joined the choir in rendering one of the deceased's favorite hymns. Some little time elapsed before the services began, during which time multitudes of floral offerings were tenderly placed on or near the bier.

The Rev. Mr. Kaman opened the services with a prayer, which was followed by an Hawaiian address, which in part was an exhortation to the Hawaiians to follow the example of this noble woman's life and beautiful character, while the Rev. Hans Isenberg took his text from Corinthians xv. "The service" ended shortly after three o'clock, after which the pall bearers, followed by the hundreds of mourners, with bowed heads, formed a procession and led by the Lihue band, took up their solemn march to the cemetery. Here the Rev. Mr. Hans Isenberg conducted a further service after which innumerable floral offerings were tenderly placed upon and around the spot which marked the plot around which the loving friends had gathered to pay their last tribute to this noble woman. The pall bearers were composed of the following grand children:

Paul Isenberg, Jr., Elias Rice, Philip Rice, Arthur Rice, Ralph L. Wilcox, Richard Cooke, Montague Cooke and Wm. H. Rice.

After a few days on Oahu, getting acquainted with the conditions here at that time, they were assigned to the mission at Hanalei, on the south-east coast of Maui, and proceeded there without delay, remaining in charge of that station for three years. While living there, their eldest child, Hannah Maria, who afterwards became the wife of Paul Isenberg, was born.

From Hanalei they were sent to Lahaina, at that time one of the principal ports of the Islands, and the shelter for the fleets of whaling vessels that wintered here, and where they remained only a few months but where their second child, a daughter, Emily Dole, who afterwards married George De la Vergne, was born. The journey from Hanalei to Maui, was a very difficult trip for Mrs. Rice, as they were obliged to skirt the coast in a narrow canoe, there being no roads on the island at that time, and she held the little Maria in her arms all the way.

After a few months in Lahaina they were called to the newly organized mission at Kilauea.

STABBING AFFRAY IN MEMORIAL SERVICES KOLOA LABOR CAMP FOR "MOTHER" RICE

(Special to the Garden Island)

Ball Tosser Makes New Island Record

(Special to the Garden Island)
HOMESTEAD, 30. Myers, pitcher for the Koloa team which played here Sunday, defeating the home team by one to nothing, is thought to have established the island record for "strike-out," having struck out nineteen. Myers is a late addition to the Koloa team and his work is resulting in giving much encouragement to the Koloaites who have risen from tail enders to a respectable place on the percentage list.

Mr. "Edmunds" Calls On Happy Couple

(Special to the Garden Island)
KOLOA, 30. Mrs. Sam Alapai, together with her affinity, Dan Kahiina are lodgers at the County Hotel as the result of an unexpected call from Mr. Edmunds. It seems that Dan possessed and abnormal lonesomeness, for which there was no appearing in the absence of his fair one. Now, Dan works on the road gang, which is at present several miles from town, and at which place he had for some time basked in the sunshine of heavenly bliss, until, as husbands sometimes do, Mr. Alapai struck the trail of his erring spouse. Mr. Edmunds was notified and to Judge Kapahee yesterday they told their story. Mrs. Alapai's story brought \$10 and costs of the court while Dan's was considered at \$30 and costs, in default of payment, both have taken rooms with our jailor. It is reported that the husband will apply for a divorce.

Another Death Due To Tuberculosis

Big Improvement In Kapaia's Store

Mr. Fernandes' new Kapaia store which has occupied several months in building, was formerly opened last week. Hitherto, Mr. Fernandes' gradually increasing trade has caused frequent changes in his store which at last became illadapted for his requirements so he decided to rebuild. The new store is a massive and up-to-date frame structure, two stories high and one hundred and forty feet from front to back and is forty feet wide. The various departments have been fitted up in the most approved style, and all in all, the store, with its 5,600 square feet of space on the ground floor, is such as will meet the requirements of the town in every way.

A Good Game Of Ball at Homestead

Talk about good base ball! The game put up by the Koloas and Homesteads was undoubtedly the prettiest exhibition ever seen on Kana'i. No runs to the fifth inning, then one run for Koloa on a wild throw from 3rd to 1st and a sacrifice by Kula having brought Clement to 3rd and an error by the Homestead shortstop letting him score. The fielding on both sides was excellent, the hardest chances being accepted probably by the Homesteads altho two errors were scored against them. Koloa's battery won for them as Myers struck out 19.

Robello allowed but 7 hits for the Homesteads, Koloa's work is going steady up.

Sunday Ball Games

June 4. Kilauea vs. K. A. C. at Kilauea. Koloa vs. Lihue at Koloa. Makaweli vs. Eleele at Makaweli.

Eleele vs Kawaihau

Eleele took the last of the games of the first series from the K. A. C. by a score of 9 to 6 in a game full of sensational plays from beginning to end. K. A. C. went first to the bat and earned one run in the first inning due to a pretty steal of Sheldon's to 2nd, a sacrifice to 3rd and a steal home on a sharp pounder. Eleele then tied the score. Pandemonium broke loose in the first half of the third when the K. A. C. by hitting every thing that Richardson could offer presented themselves with five earned runs. In the third, fourth and fifth innings Eleele scored one run, but the K. A. C. seemed to have forgotten all they knew about stick work. The first 6 balls pitched by Rose in the 7th were strikes, and two men fanned out, then he passed one to the first by hitting him, rattled by that gave 4 balls to the next, but even then would have been all right except for the unexcused error of the third baseman dropping an easy fly which a baby should have held. Not content with this he made an error, the next man up on an easy grounder and behold the game was lost, as the Eleeles romped in and the K. A. C. could do nothing more for themselves.

Kapaa Organizes More Ball Teams

KAPAA, 30. A local ball league has been organized here, with four very good amateur teams as contestants for honors. They are the Alohas, Hawaiis, Kapaas and Fujis. A practice game was pulled off Sunday, which was witnessed by a large and enthusiastic crowd.

We are requested to correct an error which appeared in our last issue concerning Mr. Blackstad's stamp collection. He wishes us to say that he has eighty-five different issues of Hawaiian stamps, and instead of a complete list, his wonderful collection contains 30,000 duplicates.

A notice of memorial services for Mother Rice to be held in the Hawaiian Church appears in this issue.
